

Garden City Ruby Conference

January 10, 2015

Bangalore

Garden City Ruby Conference, a.k.a *GCRC* or *Garden City RubyConf*, is a regional single track Ruby conference in India. It is being organized by the Bangalore Ruby Community.

2014

The 2014 edition was a big success and we have received excellent feedback from both the attendees and the sponsors. Based on the suggestions from the participants, we have set the theme for the 2nd edition as "Learning".

Opportunity Scholarships were given to anyone who wanted to attend the event but needed financial assistance. Students, women and other under-represented groups formed the application pool.
